

Handleiding potenset Advance

Stap 1:

- 4x Voet
- 16x Bolcilinderkop plaatschroef (3,5x13)

Monteer de vier voeten, elk met vier bolcilinder plaatschroeven.

Stap 2:

- 4x Stelvoet antislip M10x50
- 1x Strip voor
- 1x Strip achter
- 2x Strip zijkant
- 4x Moer M10 ELVZ

Monteer de vier strippen, vier moeren en vier stelvoeten. Controleer dat de juiste strip aan de juiste zijde zit.

Stap 3:

- 4x Moer M10

Plaats vier moeren over de stelvoetjes en draai deze aan.

Manual frame Advance

Step 1:

- 4x Foot
- 16x Self-tapping screw (3,5x13)

Mount the four feet, each with four self-tapping screws.

Step 2:

- 4x Adjustable foot antislip M10x50
- 1x Front strip
- 1x Rear strip
- 2x Side strip
- 4x Nut M10 ELVZ

Mount the four sheet metal strips, four nuts and four adjustable feet. Make sure the sheet metal strips are on the right side.

Step 3:

- 4x Nut M10

Place four more nuts over the mounting feet and tighten.
